Working on adding a NeoPixel LED Ring (12) to my basement music-reactive LED setup using these NeoPixel Rings (<https://bit.ly/2RPKMQj>). It produces a nice diffused lighting effect. The top snaps into the case with a hole in the side to slide the wires through. No need to print with supports.

Blog Posting: <http://www.plastibots.com/index.php/2019/12/19/basement-disco-neopixel-music-sync-with-msgeq7/>

Get the NeoPixel Ring here: <https://bit.ly/2RPKMQj>
